International Research Journal of Engineering and Technology (IRJET)  
Volume 5, Issue 6 - JUNE 2018

### Virtual Lab for Electronics

International Research Journal of Engineering and Technology (IRJET)  
Volume 4, Issue 6 - JUNE 2017

## SIDE PROJECTS

### Visual Design Directory

I started this side project to feel challenged and to try new things and new domains in visual design. It's free to use by CC-BY-SA 4.0 International license.

### HCI HUB

I started this side project for personal research but later made it openly accessible. In this side project, you will find articles, videos and research papers related to HCI which already exists on the internet. It's an HCI resource collection website.
